Total	₹1,30,000	₹19,000	₹1,49,000

---

6. Collaboration Model (Core Strength)

This is NOT outsourced marketing.

This is **joint execution**.

ACLAS Internal Team

Content Writer (Student)

- blogs
- captions
- scripts

Videographer / Editor (Student/Staff)

- reels
- YouTube
- campus shoots

Designer (Student/Staff)

- creatives
- posters

Presenter

- student face of brand

👉 This makes content:

- authentic
- scalable
- low cost

---

7. Offline Marketing (Recommended)

Even though focus is digital, ACLAS should consider:

High Priority

- Sunpack boards
- Bus stop flex
- Auto / bus ads

High Impact

- School seminars
- career workshops
- Influencer Collaborations

Growth Systems

- student referral programs

Internal Improvement

- campus aesthetics
- lab presentation
- cleanliness

👉 Important because:

Students visit → perception matters.

---

8. MediaOne Collaboration

Backlinks

- publish articles

- improve SEO authority

TV Ads (Optional)

- only during peak admission period

9. REQUIRED FROM ACLAS

To execute this strategy effectively, ACLAS must provide detailed information and access.

- practical sessions

Campus Facilities

- labs (detailed)
- hostel
- classrooms
- equipment

Current Student Data

- How did they know
- Why did they choose us
- Their Demographics, Psychographics and, geographic data
- Their Recommendations

10. Expected Outcome

Monthly:

- ~ 2500 inquiries
- ~200 Students including all courses
- ~100 Students for Paramedicals
- High conversion potential

---

11. Overall Budget Estimate

Category	Total Cost
Ads	₹1,50,000
Tools (WATI)	₹21,000
Social Media Content	₹60,000
Service Fee	₹72,000
Influencer Collaboration	₹20,000
MediaOne Backlink	₹5,000
Offline Marketing	₹1,50,000

Total Campaign Budget

👉 **₹4,78,000 (≈ ₹5 Lakhs)**

This budget is designed to maximize admissions with controlled investment by combining digital performance marketing, content-driven engagement, and targeted local visibility.

Final Strategic Positioning

ACLAS should dominate by owning this space:

“The college where students train inside real hospitals and build real careers.”
